

THE “CLASSIC”

Felt Filter Bags

The Strainrite Companies offer the widest range of needle punch felt filters in the market. We have formed long-term strategic partnerships with North America’s largest and most respected needle punch manufacturers. All of our fabrics are manufactured on state-of-the-art high speed needling equipment that continuously monitor key specifications in real time

resulting in the most uniform and consistent fabric across the entire web in our industry. By combining our technically advanced converting process with the industry’s most reliable media, **The Strainrite Companies** offers a felt filter bag that leads in product quality, reliability and repeatability.

APPLICATIONS

General Chemical
Produced Water from
Gas Drilling
Process Water
Food and Beverage
Paints and Coatings

Companies
World Class Filtration

SPECIFICATIONS

FEATURES & BENEFITS

- Felt filter bags offer several distinct advantages over standard string wound and melt blown cartridges
- Hygienically superior due to inside-out flow dynamics, all impurities are contained inside the filter bag
- Lower total costs due to higher solids loading capabilities
- Reduced labor costs from fewer change-outs
- Fewer spent filters resulting in reduced disposal costs
- Reduced product loss due to lower hold up volumes
- User friendly because it is easier and quicker to change one filter bag versus several 10" cartridges
